RE: MMIA CEO Appointment

I am pleased to share that the Board of Directors has unanimously voted to appoint Amanda Clark as MMIA's Chief Executive Officer.

With more than two decades of service to MMIA, Amanda brings extensive institutional knowledge and a long-standing commitment to our members. Prior to serving as Interim CEO, she led MMIA's Employee Benefits Program, where she worked closely with member communities and helped advance key organizational initiatives. Following a comprehensive nationwide search, the Board carefully evaluated a strong field of candidates and concluded that Amanda was the clear choice to lead the organization into its next chapter.

Throughout her tenure, Amanda has demonstrated a deep commitment to MMIA's mission and the members we serve. Her experience, leadership, and understanding of our organization position her well to guide MMIA forward, and I am confident that our membership will continue to benefit under her leadership.

On behalf of the Board of Directors, I am excited about MMIA's future and look forward to continuing our work together in service to Montana municipalities. Please join me in congratulating Amanda on this well-deserved appointment.

Kind regards,

Cassandra Tozer
Chair, MMIA Board of Directors
